

Constructicography in Practice: Constructions, Challenges, and Opportunities at EURALEX 2026

Tuesday, 29 September 2026

9:00 – 14:00

Preliminary programme

	Opening and welcome
9:00 – 9:10	Voula Giouli, Athina Sioupi, Nina Böbel, Alexander Ziem
	Keynote
9:10 – 10:00	Jelena Kallas
	The CASA-ConstructiCon of the English language – the project at present and plans for the future
10:00 – 10:20	Thomas Herbst
	Building a Constructicon for an Ancient Language: Challenges and Prospects from ConNetGk
10:20 – 10:40	Chiara Zanchi
	The Research Constructicon
10:40 – 11:00	Elodie Winckel, Peter Uhrig, Stephanie Evert
11:00 – 11:30	BREAK
	Cross-Linguistic Comparability in MoCCA: Aligning English, German, and Russian Constructions via Comparative Concepts
11:30 – 11:50	Elizaveta Petrenko, Elodie Winckel, Peter Uhrig
	From Constructions to Constructs, and Back Again: Linking Constructional Representation and Corpus Data in the Italian Constructicon Architecture
11:50 – 12:10	Francesca Masini, Ludovica Pannitto, Francesco Massidda, Flavio Pisciotta, Elisa Chierchiello, Cristina Bosco, Bruno Guillaume
	The relevance of constructicons for lexical typology: synchronic and diachronic evidence from variation in argument structure constructions
12:10 – 12:30	Silvia Luraghi
	Illustrating filler-slot relations
12:30 – 12:50	Bálint Sass

12:50 – 13:00	BREAK
13:00 – 13:20	Telling Memory and Commitment in Italian: A Constructicographic Approach to linking concepts of memoria e impegno in Social Antimafia Discourse Paul Sambre
13:20 – 13:40	A data-driven information-theoretic approach to constructicon building: the mMERGE algorithm and Norwegian multiword expressions Anna Endresen, Olaf Mikkelsen, Chadi Ben Joussef
13:40 – 14:00	Identifying multiword units for communicative language teaching: Insights from covarying collexeme analysis and masked language modelling Eleni Kanli, Evelyn Wiesinger

Organisers: Voula Giouli (Aristotle University of Thessaloniki, Greece), Athina Sioupi (Aristotle University of Thessaloniki, Greece), Nina Böbel (Heinrich Heine University Düsseldorf, Germany), Alexander Ziem (Heinrich Heine University Düsseldorf, Germany)

Contact: constructicon2026@del.auth.gr

Acknowledgment: The workshop "Constructicography in Practice: Constructions, Challenges, and Opportunities" is partially funded by [Alexander von Humboldt Research Group Linkage Programme](#), research project: [VerbLex: A verb lexicon model of Greek and German](#)
